READING FOR CuLtures across Borders

ReadInClubDigital - a unique online meeting place of cultures, literature and reading fans!

➔ As the result of the 3rd intellectual outcome (IO3) of the project, a multilingual digital platform was developed where reading fans and reading club mentors can perform all their activities online, regardless of the geographical distance between the members.

➔ The platform has the following functions:

- Users registry
- Adding new books
- Search for books by different specifications
- Comment on the uploaded books
- Search for book clubs
- Manage book clubs
- Creating book clubs
- Joining book clubs
- Discussion about the books

3rd Transnational Project Meeting

The 3rd TPM was held in Gödöllő, Hungary, where every partner organization delegated a participant. The host was the Hungarian partner, ITStudy, whose experts developed both the e-learning course in Moodle and the ReadInClubDigital platform presented the platform to the Consortium right before testing it internally.

Other topics discussed were:

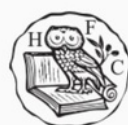

- the measurement tool implemented to measure the impact of the project results,
- Dissemination report and upcoming tasks
- Internal evaluation report
- Closing of IO2 and IO3 and planning for IO4

“Literature does not only imitate life and society of a certain place, it does not only reflect its past or its present, rather, its most important function is to unite and unify people”
